PROFILE

Awaiting Eli is an outstanding, diverse radio rock band with multi-talented individuals whose passion and dedication to perfect their craft becomes evident in the music they impart. Eric Tomes, Bobby Braz, Justin Essink and Tim McDonald are best known for their outstanding skills sets as they have stormed the music industry with their talent and charisma. They released their debut album, Lifeless, in August 2015. They are a solid touring band that has a large fan base and backlog of original songs that will keep them coming out with records for years to come. Currently, they are in the studio working on their newest album with a fresh new sound that is sure to leave an impression with every listener.

Awaiting Eli spent the later part of 2014 through the end of 2016 touring the US. Listed are a few of their favorite performances and appearances.
